CORONAVIRUS (COVID-19) ALERT
March 16, 2020

To Our Patients,

Here at SMILECREATOR, the health, wellness and safety of our patients and employees is our top priority. Given the heightened focus and quickly changing nature of *Coronavirus* (COVID-19), we want to make sure you are aware of the preventative measures we are taking.

If you or anyone in your family has or had symptoms of a fever, cough or shortness of breath within the past 14 days, please cancel your appointment and consult your medical doctor immediately.

We are a healthcare facility, we not only abide to strict standards set forth by *OSHA*, but we go above and beyond what is required of us by law regularly. To aid in the prevention of spreading any communicable diseases, specifically *Coronavirus* (COVID-19), our practice has been engaging in deep cleaning and sanitization as often as possible. We are encouraging regular hand-washing and the use of hand-sanitizer.

SMILECREATOR is committed to the well-being and care of our patients' oral health needs. We will remain open and available to our patients with normal business hours. We will continue to monitor this issue and take all necessary precautions to keep our patients and employees safe and healthy. Please visit the World Health Organization (WHO) to ensure you have the most up-to-date information possible.

We appreciate your support and cooperation during this time.
Thanks,

Dr. Timothy Kosinski
